AMENDMENT AND REMARKSRECEIVED
OCT 11 2002
GROUP 3500

Sir:

Responsive to the Office Action mailed November 7, 2001, Applicants respectfully request reconsideration of the application in light of the following Amendment and Remarks. Applicants previously filed a Notice of Appeal and a three-months extension of time and fee on May 6, 2002, and a Request for Continued Examination and fee and a three-months extension of time and fee are filed concurrently herewith.

In the Claims:

Please add the following new claims 82-84:

82. (New) A method of bill payment service for a customer, comprising:

providing a bill payment application accessible by the customer via a telephonic connection and having a menu of bill payment options;

establishing a condition for non-optionally handing off the customer to a customer service representative by the bill payment application for a non-automated verification of the customer's identification by the customer service representative via the telephonic connection as a security measure, said condition consisting at least in part of selection by the customer from the bill payment options for one of a recurring bill payment option and an add or change payee for bill payment option;

allowing the customer to enter at least one selection on the bill payment application from the menu of bill payment options; and
